

Equal Franchise Society Formed in Tonopah

Tonopah Bonanza May 10, 1912

Tonopah is to have a suffragette club. Yesterday afternoon a number of prominent ladies of this city met and formed an auxiliary of the Nevada Equal Franchise Society. Quite an interest will be taken during the coming election by the ladies of Tonopah and an attempt will be made to have another bill permitting the voting of the Nevada ladies at the next session of the legislature. The following were elected as officers of the local auxiliary: Mrs. P.E. Keeler, president; Mrs. R. Landsborough, vice president; Mrs. Glenn Adams, secretary; Mrs. Irving Macdonald, treasurer, and Mrs. Hugh H. Brown, county press chairman.

A notice of the next meeting will be made through the columns of this paper.
